CONFERENCE ON CHRISTIAN MISSIONS IN TROPICAL AFRICA

to be held at

HIGH LEIGH, *September* 8-13, 1924

IN view of the urgency of questions affecting the future of Christian education in Africa at the present time, and of the necessity of considering the reports of the recent Education Commissions to West and East Africa, the main subject of the Conference will be problems connected with missionary education.

The accommodation at High Leigh is strictly limited. The available places have been assigned by the Committee of Arrangements to the various societies, which have been informed of the number of places at their disposal. Those who wish to attend the Conference should send in the attached registration form not later than July 31st. Any places not claimed before that date by the society to which they have been assigned will be held to be at the disposal of the Committee and may be given to other societies which may wish to send more representatives than the number at present allotted.
